

## **Report of the Executive Director**

### ***Kalaeloa Report***

June 9, 2015

The Hawaii Community Development Authority (“HCDA”) has established four groups to address and advise the HCDA with respect to various concerns and issues within the Kalaeloa Community Development District (“District”). The four groups are: the Kalaeloa Community Network (“KCN”), Kalaeloa Public Safety Group (“KPS”), Kalaeloa Advisory Team (“KAT”), and the Kalaeloa Archaeological and Cultural Hui (“KACH”). The following is a summary of these groups’ efforts and other HCDA projects/initiatives over the past several months.

**Kalaeloa Community Network:** The HCDA established the KCN in November 2006. Their mission is to share ideas, network, address concerns about the District’s infrastructure, pool resources, and capitalize on opportunities to foster pride in Kalaeloa. Kalaeloa landowners, tenants, businesses and elected officials attend monthly KCN meetings.

The KCN met on May 14, 2015 and the following items were discussed:

- The Hunt Companies (“Hunt”) reported that applications for the Wakea Garden Apartments began on April 17, 2015. The public is invited to take tours of the newly renovated 1-bedroom apartments. Hunt anticipates that tenant occupancy will begin in July 2015.

Hunt also reported that trespassers have been accessing the former Ewa Marine Airfield to use the air strip for car drifting. The trespassers are cutting Hunt’s gate locks and using back roads to get to the site.

- Senator Mike Gabbard’s staff announced that Gabbard is now the Chairperson for the Water, Land and Agriculture Committee and Vice-Chairperson for the Energy and Environment Committee.

Gabbard’s staff noted that West Oahu’s higher education facilities, the University of Hawaii West Oahu (“UHWO”) and Hawaii Tokai International College (“Tokai”), continue to build their foothold in the community. The UHWO has 2,700 students and recently graduated 225 students. Tokai held its grand opening celebration on April 16, 2015 and plans to enroll up to 300 students. The two schools have developed a partnership that allows students who complete a two-year degree at Tokai may then enter the four-year program at UHWO.

Gabbard will provide his annual legislative wrap-up for the KCN at an upcoming meeting.

- The Hale Ulupono transitional shelter reported that they have implemented a Neighborhood Watch program at their facility. The shelter currently has a few vacancies for mentally ill adults.

The KCN's next meeting will be on June 18, 2015, at the Department of Hawaiian Home Lands' ("DHHL") Hale Pono'i conference room.

**Kalaeloa Public Safety Group:** Public health and safety are major concerns for the various stakeholders within the District. In order to provide a forum to address these concerns, the HCDA established the KPS in May 2006. The KPS is an unique one-stop shop of federal, State and City and County of Honolulu ("City") agencies that meet monthly to collaborate and address public safety issues.

The KPS met on May 21, 2015 and the following items were discussed:

- The City Department of Parks and Recreation ("Parks") staff reported that the maintenance at Nimitz Beach campgrounds is ongoing and illegal camping is being addressed through service providers from the Waianae Coast Comprehensive Health Center Outreach workers twice a month. Parks staff also reported that bon fire incidences are resurfacing and wood pallets are being hidden in the brush, therefore brush trimming along Coral Sea Road is being scheduled for the month of June.

The Parks staff reported last month that their Department of Corporation Counsel ("Counsel") is conducting final review of the Base Realignment and Closure's conveyance deed for their Kalaeloa land parcels, but with the recent notice from the U.S. Navy ("Navy") of the potential listing of the Ewa Marine Airfield on the Historic Registry, City's Counsel is relooking at the potential impact. The conveyance schedule may be delayed from the expected end of summer.

- The Honolulu Fire Department ("HFD") reported discussions continue about establishing a first-responders multi-agencies training center in Kalaeloa with DHHL.

The HFD provided the following incident report for Kalaeloa:

TYPE	MONTHLY COUNT												TOTAL

	<b>31</b>	<b>22</b>	<b>27</b>	<b>15</b>	<b>0</b>	<b>95</b>							

- The DHHL noted that Environmental Assessment - Phase I, for the Kalaeloa land parcel where the Save Our Race Tracks tenant was operating, has been completed, but the mitigation plan is still being discussed with the Department of Health. There may be a possibility that the front 10 acres of the parcel may be available by the end of this summer.

The KPS's next meeting will be on Thursday, May 14, 2015, at the DHHL's Hale Pono'i conference room.

#### Kalaeloa Heritage Park:

- On May 7, 2015, the Kalaeloa Heritage and Legacy Foundation ("KHLF") submitted a Conditional Use Permit for Vacant Land ("CUVL") application for the continued use of 77-acre Kalaeloa Heritage Park ("KHP"). The KHLF noted that they are working on their business plan and capacity building in order to secure a long-term lease from the HCDA. On May 8, 2015, HCDA staff processed and approved the CUVL application in compliance with Hawaii Administrative Rules §15-215-80.

On May 13, 21, and 27, 2015, HCDA staff met with members of the KHLF. The attendees reviewed and edited the draft strategic plan and business plan.

On May 14, 2015, the KHLF submitted a zoning clearance application for the use of the KHP previously disturbed maintenance yard area for a fundraiser luau projected for Saturday, June 20, 2015. On May 15, 2015 HCDA staff processed and approved the zoning clearance application for the proposed luau fundraiser event which is permitted pursuant to KAL 15-001, CUVL permit.

## **Infrastructure Matters:**

- On April 30, 2015, HCDA staff met with Kapolei Property Development (“KPD”) and Hawaiian Electric Company, Inc. (HECO) to discuss the potential conveyance of land to the HCDA north of the Franklin Delano Roosevelt (“FDR”) Avenue. KPD/James Campbell owns remnant parcels south of the OR&L rail line, which will be needed by the HCDA for future improvements to the FDR Avenue.
- On May 19, 2015, HCDA staff participated on conference call with Hunt consultants to continue discussions for the Kalaeloa Roadways Memorandum of Understanding (“MOU”) as it pertains to incorporating both the Department of Transportation’s (“DOT”) and HCDA’s Deputy Attorney General’s feedback. Suggestions included, adding a map to clarify current ownership, right-of-way requirements and future conveyances to the City.
- On May 19, 2015, HCDA staff met with DOT in regards to securing a right-of-entry for the Kalaeloa Airports to do the necessary work for the Kalaeloa Energy Corridor Project along ending at the airport. As part of the project, an electrical equipment pad needs to be erected and stored on property owned by the airport.

## **Administrative Matters:**

- On May 22, 2015, HCDA staff provided a District briefing for Kelfred Chang with Ideal Properties, Inc. He is representing a client interested in establishing a multi-use eleemosynary project in the District.
- On May 27, 2015, HCDA staff attended the Makakilo/Kapolei/Honokai Hale Neighborhood Board No. 34 meeting. Members were interested on the status of the conveyances of the Northern and Southern Trap and Skeet Ranges and the Ordy Pond. Tom Clements representing the Navy provided an update and HCDA staff confirmed zoning for those areas are limited to sustainability and preservation type activities. Ongoing discussions with the U.S. Fish and Wildlife on the specifications and requirements for the environmental conditions are in progress.

Chairperson Souza requested that the monthly HCDA Kalaeloa staff report be emailed to the Neighborhood Board Commission (“Commission”) for distribution to the entire board. HCDA staff confirmed that the report will be emailed to the Commission and can also be found on the HCDA website a few days after the Authority meeting is completed.
